We look forward to celebrating the collective achievements of our organization over the last three decades. Gastroenterology in Ontario has never been stronger or more cohesive, and we are deeply grateful for the steadfast leadership and contributions of our members and Board of Directors over the years.

We hope to see you all at Hotel X Toronto and the Automotive Building this fall, where we can celebrate these milestones together and look ahead to the next 30 years.

WELCOME MESSAGE

MESSAGE FROM THE CONFERENCE CHAIR

Dear Colleague,

I would like to invite you to attend the Ontario Association of Gastroenterology (OAG) 30th Annual Conference and Business Meeting at the Automotive Building, Exhibition Place and Hotel X Toronto. This year's conference celebrates 30 years of OAG advocating for gastroenterologists across Ontario, setting standards in gastroenterology, and providing high-quality continuing medical education, all while bringing colleagues together for an enjoyable and meaningful week-

end. Your conference committee has been hard at work organizing an engaging program of speakers and topics designed to address gaps in knowledge, as well as planning social events that provide opportunities to reconnect with colleagues and interact with our invited faculty and industry.

I encourage you to take this opportunity not only to explore Toronto, but also to strengthen existing relationships and build new connections with members of our specialty from across the province. I would also like to thank our sponsors for their continued investment in our educational initiatives and encourage you to visit their exhibits to show your appreciation for their commitment to OAG.

As always, we greatly appreciate your time, effort, and ongoing support in attending OAG meetings. We hope this milestone marks the beginning of another 30 years of collaboration, advocacy, and professional growth. To commemorate this special anniversary, we have arranged a small gift for attendees as a token of appreciation and in celebration of this important moment in OAG's history.

I look forward to seeing you at the conference and celebrating this milestone together.

Sincerely,

ONTARIO ASSOCIATION OF GASTROENTEROLOGY

Lee Roth

Lee Roth, MD, FRCPC
Treasurer/Conference Chair

NON-ATTENDANCE WILL COST YOU...

Did you know that as an OAG member, if you register for the Conference, and do not attend, your non-attendance costs the OAG approximately \$1,000 (hotel accommodation, breakfasts, lunches, dinners, nutrition breaks and administration.)? The OAG office is required to give guarantees to the venue at least five (5) business days prior to the start of any Conference. Therefore, if you do not cancel by the seven-day prior deadline, you are included in the hotel room count and meal numbers for the entire Conference. It is the fiduciary duty of the Board of Directors to ensure that the OAG's monies are spent wisely.

The OAG has implemented a policy for Conference delegates – it is mandatory that you provide a valid credit card number to register for the Conference and specific events. Your credit card will not be charged unless you do not attend and neglect to notify the OAG office by the cancellation deadline (as indicated on the registration form - both online and in print.) The amount that will be charged to your credit card is the fee for one night's hotel accommodation, administration and your meals – approximately \$1,000.

If you need to cancel your hotel reservation, Conference or event registration, please refer to the registration form and contact the OAG office - you will receive a cancellation number as your validation.

**Please help us help the OAG – we are a
not-for-profit organization.**
